

ST. ANDREW'S SCHOOL UNIFORM AND EQUIPMENT LISTS

Official school outfitters

Our school uniform and games kit are specifically designed for St. Andrew's pupils. The school uniform is purchased from G & S by Valentino (a school uniform supplier in Knaphill). The senior school games kit is purchased online from 'Serious Stuff'.

G & S by Valentino: 23-27 Broadway, Knaphill, Surrey GU21 2DR (tel. 01483 475051).

'Serious Stuff': www.serious-stuff.com (password (case sensitive) MAYNARD)

Swop Shop

The school second-hand shop (Swop Shop) opens on several occasions each term – some new stock may also be available. Further information is available on www.st-andrews.woking.sch.uk (The School – Uniform).

Naming of uniform

All uniform including footwear must be named and in good condition. We would prefer uniform to be named with sew-in name tapes, however iron-on name tapes may be used. Any size or colour is permitted for name tapes used inside uniform. If at all possible, name tapes for Nursery children should avoid using all capital letters. The senior school games kit can be named with a laundry marker on the inside labels. Blazers should have a loop for hanging on pegs.

Bags

Book bags / tablet book bags / net bags / swimming rucksacks are given out to new pupils (where appropriate) on the first day of term and will be added to your invoice. Replacement bags that the school supplies should be ordered through the School Office. No other bags are permitted for use by the senior school children as lockers are provided and prep is completed at school.

Swim hats

Swim hats for the senior school children (in House colours) are given out at the start of the Summer term. Replacement hats will be added to your invoice.

Water bottles

All senior school pupils should have a named St. Andrew's water bottle. These are available from the School Office and will be added to your invoice. No other water bottles are permitted for use by the senior school children. Pre-Prep children may also purchase a St. Andrew's water bottle but these are not compulsory for the younger children. Unbranded water bottles are available at G&S by Valentino, however Pre-Prep water bottles can be purchased from any retailer.

Stationery

Stationery is required for children in the senior school (Years 3-8):

Pencil case (of a sensible size), long 30cm ruler (not flexi ruler), HB pencils, pencil sharpener which holds shavings, colouring pencils, rubbers, glue stick and blunt ended scissors. St. Andrew's branded pencil cases are available from G&S by Valentino, however these are not commissioned by the School and are not required items.

Additional items:

Year 5 and above only: Highlighters, Protractor, Compass, Oxford English mini-dictionary, Memory sticks.

Year 6 and above only: Calculator (Casio FX series), French dictionary.

Stationery continued

Cartridge pens (with blue ink) are only used once children have received their Pen Licence. A spare cartridge pen is also useful, particularly for exams. Pupils do not require friction pens, gel pens, ink erasers or tippex and these items are not to be brought into school.

Please take care to name as much of your child's stationery as possible.

Hair

All boys (Pre-Prep and senior school) to have their hair cut in a neat, short style suitable for a Prep school. All girls (Pre-Prep and senior school) to have their hair tied back neatly off their face and shoulders – green hair accessories only to be used. Alice bands and scrunchies in our bespoke summer dress material are available from G&S by Valentino, however these are not commissioned by the School and are not required items of uniform.

Jewellery

No jewellery is to be worn unless permission is sought from the Headmaster.

Earrings

For Health & Safety reasons, no earrings are to be worn in school once the piercings have healed sufficiently unless permission is sought from the Headmaster. If it is necessary to wear earrings for newly pierced ears, we ask that girls wear plain studs only as these will need to be taped up or removed for PE/games/swimming.

Watches

Watches are permitted for children in Year 6 and above, however pupils should not have any watches with internet connectivity. 'Fitbits' etc may be worn in Year 6 and above, however these must be taken off for all team sporting activity.

Cold weather

In extremely cold weather (ie. when the temperature falls below freezing or if it is snowing), some items of home clothes may be worn as follows:

In cold weather, Pre-Prep pupils may wear their own coats, hats, scarves and gloves to school and at break times. In extremely cold weather (ie. when the temperature falls below freezing or if it is snowing), they may also wear their tracksuit bottoms over the uniform to walk into school.

In extremely cold weather (ie. when the temperature falls below freezing or if it is snowing), senior school pupils may wear their own coats and gloves to school and at break times. Any hats and scarves worn should be from the uniform list ie. the green beanie from G&S by Valentino or the new St. Andrew's bobble hat and scarf available from Serious Stuff.

Pupils should still wear their blazers to and from school under their coats. As with all clothing, it is essential that all items are named.

All uniform, kit and equipment for the appropriate term is required in school from the first day of term. Blazers (Reception to Year 8) must be worn to and from School every day.

Pupils are responsible for looking after their possessions.
